Counsel -

This communication is to advise that Plaintiff has rejected the Rule 68 Offer of Judgment dated 6/24/13. However, she is encouraged that your client is interested in exploring resolution. At this time I have authority to make the following settlement demand. In exchange for Plaintiff executing a dismissal with prejudice your client must pay \$5000 (which includes actual damages, statutory damages, and attorney fees and costs). This demand is available until 6/28/13. If it is not accepted the demand will be withdrawn and that figure will not be available again as the fees and costs will continue to increase.
